Cancer Services of New Mexico's Spring 2017 Family Cancer Retreat

Overview

The Spring 2017 Family Cancer Retreat will provide New Mexico's **adult cancer patients/survivors, their family members and loved ones who serve as their primary caregivers** with a weekend of education, reflection, and rejuvenation in a relaxing and nurturing environment.

The retreat **will focus on educating participants on the process of surviving cancer.** Topics covered will range from the difficulties of handling the initial diagnosis, through coping with therapy, through a variety of medical and social topics relating to at-home care and the emotional issues associated with surviving.

The Program

During the weekend, we will intersperse lectures and discussions on a variety of cancer-related topics with fun activities that provide a break from the day-to-day challenges of living with cancer.

Planned educational sessions include:

- Patient and Family Communication
- New Developments in Cancer Treatment
- "Ask the Oncologist" Panels
- Coping with Treatment-Related Side Effects
- Genetic Testing: What Does it Really Tell You?
- Screening and Detection for Cancer Survivors
- Talking with Kids About Cancer
- Caring for the Caregiver
- East Meets West- Lessons from Science and Ancestors
- Myth Busters: Cancer Pain, Palliative Medicine and Hospice
- Cancer-Related Legal and Insurance Issues
- You've Completed Treatment – Now What?
- Moving from Surviving to Thriving
- Meditation, Yoga, and Creativity Workshops

The retreat will also provide participants with the opportunity to spend time with each other in informal sessions, speaking with and learning from others who are coping with similar issues.

Supervised child care and recreational activities will be provided for children and teens during the educational sessions.

Logistics and Fees

The program will be held from April 21-23, 2017 at the Marriott Pyramid North hotel in Albuquerque, New Mexico.
